

Coming Spring 2024!

NCC'S 40TH ANNIVERSARY

Special 2-Disc Set!

NCC's Largest Collection Ever!

Features 30 of the Choir's BEST Songs!

It is such a JOY to bring you this album commemorating the Choir's 40th anniversary! God has blessed and enabled us to continue ministry since 1984 – reaching countless people with music that touches the heart and stirs the soul. “Music that makes a difference” is what we like to call it. When audiences and listeners to our radio broadcast are drawn into a deeper and more meaningful relationship with Christ, we feel that we are

accomplishing our mission. Over these 40 years, God has called singers and musicians to this ministry from all walks of life and many different churches and denominations – all of whom sign this Statement of Faith:

I have received Jesus Christ, God's only Son, as my personal Savior and Lord, and believe that the Bible is God's inspired Word to us. My desire is to live my life for His glory, to obey God's moral and spiritual laws, and to use my talents to honor Him within The National Christian Choir.

We truly feel there is something for everyone among the songs chosen for this album: from high praise to tender, humble worship . . . from poignant songs that minister to hurting hearts such as “***Somewhere In Your Silent Night***” to joyous descriptions of our heavenly destination where we will “***Behold Our God***”. We are certain that you will be blessed as you listen.
